# What We Offer

Yilabara Solutions has a dedicated Barranggirra team that works with both the learner and employer.

Our services are completely voluntary with no associated costs.

We work directly with learners to develop an individualised mentor plan and offer cultural mentoring support, training and updates on trainee and apprenticeship initiatives.

We also work with employers who are actively engaged or interested in employing Aboriginal learners through traineeships and apprenticeships.

Our goal is to provide a wrap around service for Aboriginal trainees and apprentices across Western NSW.
